## **PLEDGE/VOW FOR MEMBERS OF THIS ORDER**

I \_\_\_\_\_ pledge to invoke the emerald ray from the heart of Mighty Cosmos, Elohim Cyclopea, Archangels Raphael and Mary, Ascended Masters Hilarion, Pallas Athena, the Maha Chohan and Portia, the sponsors of this order. And I will invoke the angels of truth and healing and science. I will keep my four lower bodies charged and full of that emerald frequency so that I always have a greater light within me than the darkness which contacts me. I will keep the batteries of my chakras charged with the healing light and strive to know when to withdraw to fast and to pray to be recharged, and to know when to come forth to give of that light. --Adapted from a dictation by Ascended Lady Master Portia, given on April 17, 1976
