There is conferred upon the one whose name is written below the title of
Advocate.

(Write your own name here. Post by your desk)

My signature above signifies that I am willing to conform in heart and mind to the sacred precepts of the Order of the Child, spending the required time of one minute daily in contemplation and thought before the precepts below written, also submitting major decisions to these same precepts.

IN REMEMBRANCE of His Words...

Whosoever shall receive any such little child in my name receiveth me. Of such is the kingdom of heaven.

Woe unto him who shall hurt one of these little ones. Inasmuch as ye have done it unto the least of these, ye have done it unto me...

I desire that my heart shall ever make me aware of the little child, who is always without in the concourse of time and space *and who is affected by my decisions and my acts.*

In knowledge of the fact that my acts combined with others' do affect the destiny of my country, the human race, and our common future, I do enter wholeheartedly into the below pledge, realizing whether I make the pledge or not, I am still held *fully* accountable for every act.

I unite therefore with others, that we may make a bond for good, that our common purpose before God, our common heart and mind, will shine forth a golden ray of Light to establish the greatest civilization ever on earth.

Knowing also that if these principles be not adhered to it is possible and imminent that this great civilization, like that of ancient Rome and others, may fall, decay, and decline, I should therefore work for our future without bias.

PLEDGE

BEFORE THE GOD of the universe, I promise to be ever aware of the interests of mankind, as an All, and of all who dwell in my country, rather than the few.

I shall seek better government of the people, by the people, and for the people. As I act toward the least of humanity, I have acted toward the greatest.

My thoughts shall be ever mindful of the little child of the future- every little child in whom is the breath of Life. If ever I cannot act accordingly, I shall resign my authority over others.

Conferring upon each advocate of the child of the future a portion of the wisdom of Solomon, who received wisdom of God, may your wisdom be like unto your sincerity, increasing unto the full light of divine wisdom, sufficient unto this day.
